National Flood Insurance Program Elevation Certificate and Instructions

The NFIP Elevation Certificate (FEMA Form 81-13) shows an expiration date of March 31, 2012. While FEMA is awaiting the review and approval by the Office of Management and Budget (OMB), the current version showing the March 31, 2012 OMB Expiration Date may continue to be used.

When the new form is approved, FEMA will permit a "phase-in" of the new Elevation Certificate on a voluntary basis. Please review Bulletin W-12023, which can be found by visiting http://www.nfipiservice.com/Stakeholder/pdf/bulletin/w-12023.pdf, for additional information.

This EC appears to have the wrong community name and number for the unincorporated county area. We were told on our last audit by FEMA to make sure it is accurate. Can you provide a corrected one?
